

## JOINT RESOLUTIONS AND INITIATIVE PETITIONS

### Section 2(b), Article XII of the Constitution provides:

“All amendments proposed by the general assembly or by the initiative shall be submitted to the electors for their approval or rejection by official ballot title as may be provided by law, on a separate ballot without party designation, at the next general election, or at a special election called by the governor prior thereto, at which he may submit any of the amendments..... If a majority of the votes cast thereon is in favor of any amendment, the same shall take effect at the end of thirty days after the election. More than one amendment at the same election shall be so submitted as to enable the electors to vote on each amendment separately.”

The Ninety-second General Assembly, Second Regular Session, passed one Joint Resolution. The Secretary of State's office certified one initiative petition. Resolutions are to be published as provided in Section 116.340, RSMo 2000, which reads:

**“116.340. Publication of approved measures.** — When a statewide ballot measure is approved by the voters, the secretary of state\* shall publish it with the laws enacted by the following session of the general assembly, and the revisor of statutes shall include it in the next edition or supplement of the revised statutes of Missouri. Each of the measures printed above shall include the date of the proclamation or statement of approval under section 116.330.”

\*The publication of session laws was delegated to the Joint Committee on Legislative Research in 1997 by Senate Bill 459, section 2.040.
